

A Vision for Hood Canal:

Hood Canal Integrated Watershed Plan

Mission Statement

The Hood Canal Coordinating Council, working with partners, community groups and citizens, will advocate for and implement regionally and locally appropriate actions to protect and enhance Hood Canal's environmental and economic health.

Strategic Plan

- an integrated system and structure that will include all interests
- protect
- restore
- reduce sources of pollution

Strategic Plan

The HCCC will create and maintain a **“larger table” that is inclusive of all groups and individuals** involved in the stewardship of the Hood Canal watershed by:

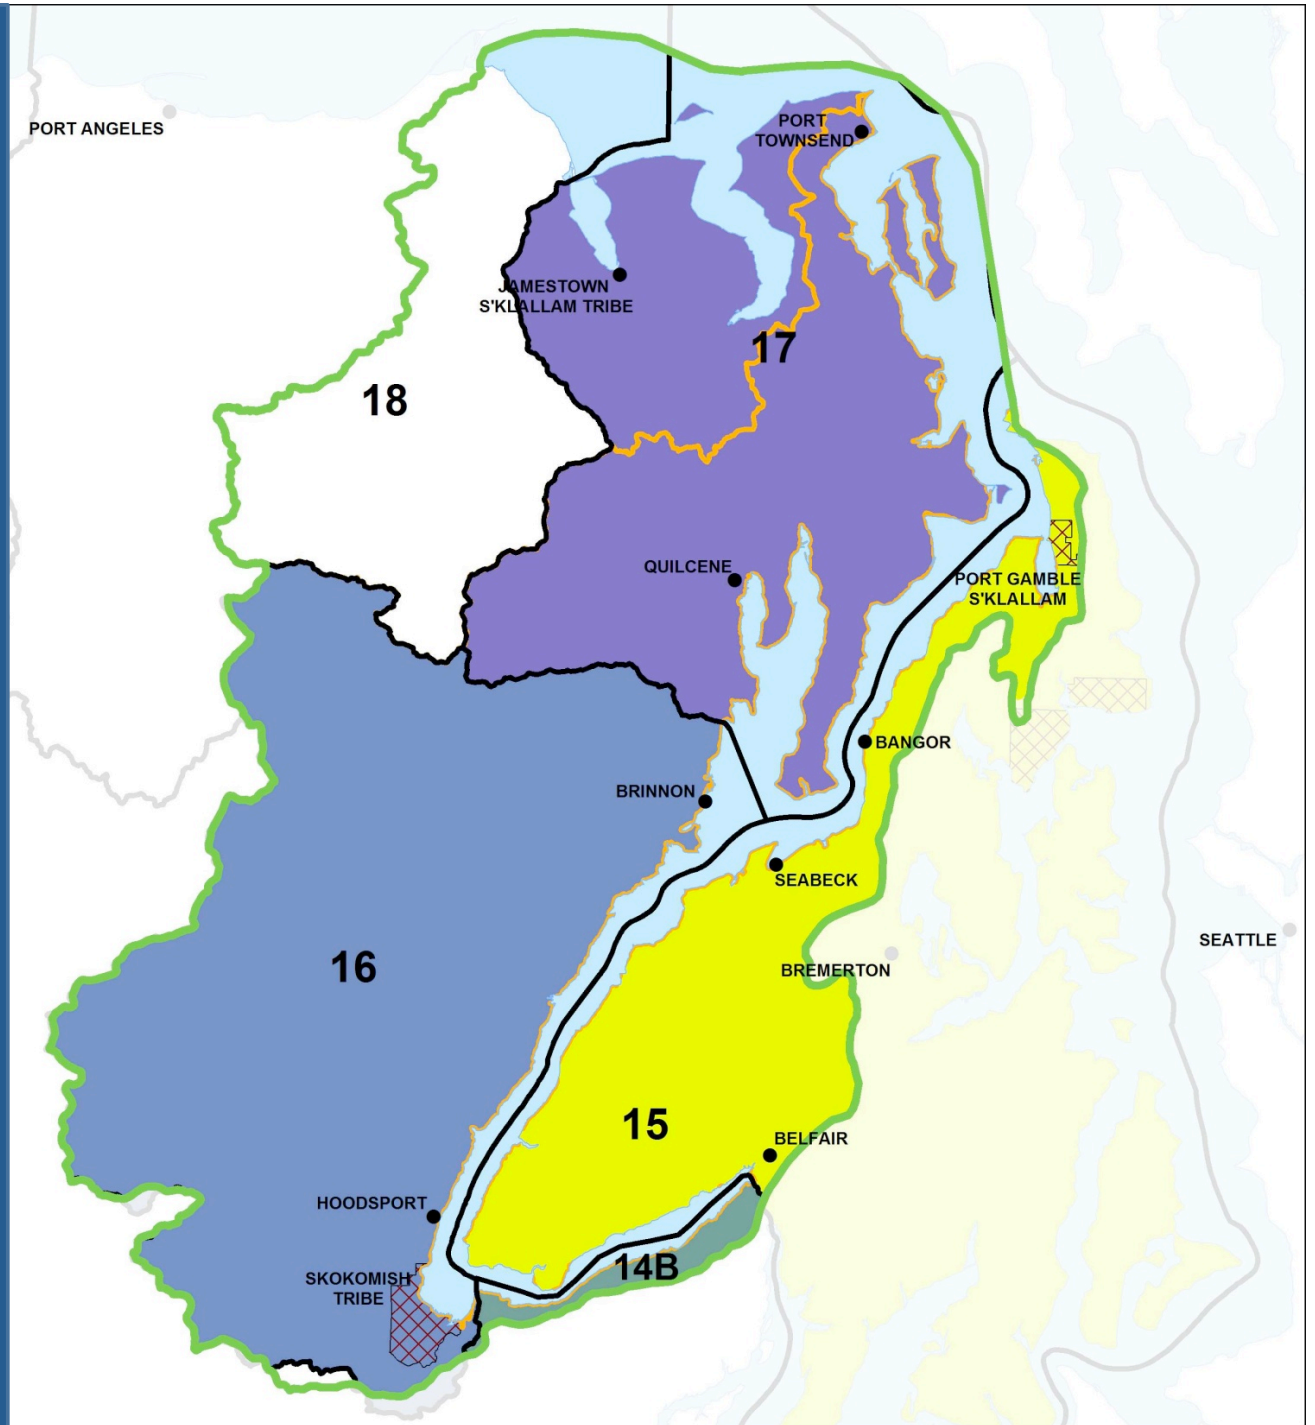

- providing active **forums** on issues of importance to the health and stewardship
- **recognizing existing or authorizing new groups** to address specific issues
- ensuring that the general public has **full access** to HCCC membership and processes.
